Generali Consultant:

 **GENERALI**

The private health insurance with international coverage

in collaboration with

 **GENERALI**

Health is your most valuable asset and it deserves all the attention. Times have changed, we have a whole new mindset and our needs are increasing more and more. Not everytime our needs are satisfied with the local health services which are sometimes inefficient or inadequate. For all these reasons, we created an international private health insurance perfectly adapted to your needs and requirements.

In partnership with MediHelp International, the most important provider of private health insurance and international medical insurance in Central and Eastern Europe, leader of medical care, we will offer to our clients packages of international private health insurance.

What is this insurance?

The “**MediHelp International Plans**” insurance provides its clients with access to a network of more than 425,000 medical clinics worldwide, partners of Generali Global Health (GGH), member of Generali Group.

The policy includes comprehensive medical services, complex surgery, hospitalization, multidisciplinary counselling, laboratory investigation, advanced imaging services, dental treatment, and treatment for cancer and even organ transplants, including bone marrow transplants, depending on the package chosen.

What are your benefits?

The policy can be purchased both by companies and individuals aged less than 70.

The insurance is tax deductible within 400 Euro/year, both for the employee, but also for the employer.

Payments can be made monthly, quarterly, bi-annually or annually.

According to the coverage level the client has chosen, such insurance may cost from 2 to 7 euro/day, covering medical services between EUR 500,000 – 1,200,000 granted only in Europe, or from 3 to maximum 40 EUR/day for medical services between EUR 1,500,000 -3,000,000, offered both in Europe and worldwide.

For every information needed, a key account officer will be at your disposal.

What are your options?

Accessing the product offered by Generali and MediHelp, according to the medical services desired, the client may choose from 5 packages on 5 coverage levels:

- **Blue** (health services of maximum EUR 500,000, only in Europe)
- **Azure** (EUR 1,200,000, only in Europa)
- **Cobalt** (EUR 1,500,000, worldwide)
- **Admiral** (EUR 2,000,000, worldwide)
- **Royal** (EUR 3,000,000, worldwide).

With our international private health insurance, you will benefit from the best health services from all over the world.

Let us take care of your health, while preserving the lifestyle standards that you have set. We can give you the best solution for your needs!
